Title: End of Sale Notification for the Avaya 8410D Digital Telephone

Notification Date: October 7, 2003

The Avaya 6408D or 6416D+M Digital Telephones, and/or the 2420 two-wire Digital Telephone have replaced the 8410D four-wire Digital Telephone. These 6400 and 2400 Series telephones currently include the 6402, 6402D, 6408D, 6416D+M, 6424D+M and the 2402 and 2420 Telephones.

Effective April 5, 2004, Avaya will no longer offer for commercial availability the black version of 8410D Digital Telephone and/or all of the other 8400 Series Digital Telephones or their adjuncts or modules. The end of sale for the 8403B, 8405B, 8405B+, 8405D, 8405D+, 8410B, 8410D (white), 8411B, 8411D, 8434DX Digital Phones and ZE801A Expansion Module had previously been announced.

Discontinued Material Codes

SAP Code	PEC Code	Description	End of Sale Date
107702870	3235-05B	Telset Terminal Display Black USA 8410D03	4/5/2004

Migration Strategy
Avaya is currently offering the 6402, 6402D, 6408D, 6416D+M, 6424D+M, 2402 and 2420 Digital Telephone Sets.

Note: These telephones are two-wire DCP terminals that work on either the two-wire/16 port TN2181 or two-wire/24 port TN2224 DCP line circuit cards (or equivalent). They cannot be used with a four-wire DCP line circuit card.

Schedule

End of Sale (EoS)	April 5, 2004
Minimum Period of Support Availability after EoS	3 years

Minimum Period of Support Availability
The Minimum Period of Support availability represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya Manufacturer Support Policy. Support may be extended past that period at the discretion of Avaya Global Services, BusinessPartners or other service providers. For additional information concerning long term support please contact your Service Provider.

Service and Warranty
Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by BusinessPartners or other service providers. Additional information concerning Avaya Global Services can be found on the Services Offer Information Web site.
