Migration Strategy

Avaya now offers Application Enablement Services 4.0 for new sales. Application Enablement Services requires Communication Manager 3.0 and later. Application Enablement Services does not support releases of CM prior to CM 3.0.

See prior notices for details on migrations from MAPD, Avaya CT and AE Services 3.0.

Minimal Support Term

The Minimal Support Term represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya Manufacturer Support Policy. Support may be extended past that period at the discretion of Avaya Global Services, BusinessPartners or other service providers. For additional information concerning long term support please contact your Service Provider.

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by BusinessPartners or other service providers. Additional information concerning Avaya Global Services can be found on the [Services Offer Information](#) Web site. For additional Information about Avaya Solutions, please visit the [Avaya Business Solutions](#) Web site.

For additional Information about Avaya solutions, please visit the Avaya business solutions web site (www.avaya.com).
